Gentle Reminder: According to Primary EducationCurriculum Guide (2024), schools should avoid arranging tests and examinations immediately after long holidays and make good use of the long holidays to assign appropriate self-learning tasks as well as reduce assignments to allow students having more space during the holidays to foster their physical and psychological well-being.

Saturdays and Sundays which students do not need to attend school

Shaded area indicates public holidays

✕ School Holiday	╱ Additional Discretionary Holiday	●	Staff Development Day during which students do not need to attend school
		○	Parents' Day organised on Saturday, during which students do not need to attend school

Total Number of School Days: **190 Days (please refer to the following calculation)**

Number of Planned School Holidays **91Days**

*To tie in with the arrangement of designating school holidays on the days after elections, there will be 91 school holidays in the election year of a Legislative Council general election and a District Council ordinary election. For details, please refer to the Education Bureau Circular No.5/2020.

Counting of School Days for Whole-day Schools in a School Year:

365 Days in a School Year − 91 Days of School Holidays − 2 Days of Additional Discretionary Holidays − 3 Days of Staff Development Days during which students do not need to attend school − 79 Days of Saturdays and Sundays not included in the school holiday list

=190 Days
